

Register Now for St. Paul to Saddle Lake Student Bus Transportation!

Published on: August 26, 2026

Parents and guardians residing in St. Paul with children attending Onchaminahos School or Kihew Asiniy Education Centre must submit a completed Student Transportation registration form before their children can ride the bus. A separate form is required for each child, and parents are also asked to review bus safety rules with their students prior to the school year. For questions or to submit forms, please reach out to Student Transportation Coordinator Leon Moosewah at (780) 614-5427 or visit the Saddle Lake Student Transportation Services Facebook page.
