Forever in Our Hearts: Memory Christmas Balls for Seniors & AISH

Published on: November 5, 2026

The Saddle Lake Assisted Living team is creating special "Memory Christmas Balls" to decorate the Seniors and AISH Christmas tree in honor of loved ones who have passed on. Community members are invited to participate by sharing a photo of a departed senior family member or spouse for this meaningful holiday tribute. If you would like to contribute a picture, please contact Lydia or one of the Homemakers at 780-726-2774.
